(c) Under National Wind Resource Assessment Programme, wind monitoring is being carried out currently at 22 locations in the State of Maharashtra. 8 more sites have also been identified as suitable for wind power generation. A potential of about 15 MW of Wind Power has been identified at Vijaydurg in the coastal region of Maharashtra. A demonstration project of 1.5 MW capacity has already been set up at Vijaydurg.

(d) State-wise financial allocations are not made under any non-conventional energy programme of the Ministry. Based on the merit of the proposals received, past performance of the States/UTs and availability of funds under various non-conventional energy programmes, targets are allotted and accordingly funds are released.

Statement

S.No.	Name of the Programme/ Systems	Physical achievement during the last three years	Funds released by the Ministry (Rs. in lakhs)
1.	Special Area Demonstration Programme	4	7.17
2.	Information & Publicity	—	0.44
3.	Improved Chulha (Nos.)	5.72	363.01
4.	Battery Operated Vehicles (Nos.)	1	0.67
5.	Biogas Programme		
	a. Family Type Biogas Plants (Nos.)	68485	2708.33

8.	Biomass Gaslfier (KW)	650	8.50
9.	Small Hydro Power (MW)	4.32	85.34
10.	Solar Thermal Programme (meter square collector area)	15366	79.60
11.	Solar Cooker (Nos.)	10.646	9.89
12.	Biomass Co-generation (MW)	9	8.50
13.	Wind Energy Projects (MW)	4.37	561.00
14.	Solar Photovoltaic Lighting Systems (Nos.)	1174	66.00
15.	IREDA's loan (Nos. of project sanctioned)	53	4243.30

Safe drinking water in flurosis affected areas of Andhra Pradesh

731. DR. D. VENKATESHWAR RAO: Will the Minister of RURAL AREAS AND EMPLOYMENT be pleased to state:

(a) whether the Andhra Pradesh Government had submitted a proposal to the Central Government to provide safe drinking water to flurosis affected Kunavaram and Nagiligonda areas in Prakascin district in Andhra Pradesh;

(b) whether the same project was also submitted to Rajiv Gandhi National Water Drinking Mission;

(c) if so, the estimated cost of the project;

(d) whether the proposal is still pending;

(e) if sc, he main reasons therefor; and

(f) by when it is likely to be cleared?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL AREAS AND EMPLOYMENT (SHRI CHANDRADEO PRASAD VERMA): (a) to (c) Yes, Sir. Two project proposals for providing fluoride free water to cover 41 fluoride affected habitations in Kunavaram and Nagiliugonda areas in Khammam District were submitted by the State Government at an estimated cost of Rs. 537.00 lakh as per details given below:

	Pop. 1991	Est. Cost. (Rs. in lakh)
(i) Providing safe drinking water to 30 habitations in Kunavaram area of Khammam District.	19,000	239.00
(ii) Providing safe drinking Water to 11 habitations in Nagiligonda area of Khammam Dist.	33,000	298.00
	52,000	537.00

(d) No, Sir. The two projects at a cost of Rs. 487.80 lakhs with Kunavaram project at Rs. 205.40 lakh and Nagiligonda at Rs. 282.40 lakh have already been approved.

(e) and (f) Do not arise.

Waiting list for LPG agencies in Manipur

732. SHRI W. ANGOU SINGH: Will the PRIME MINISTER be pleased to state:

(a) the number of applications in the waiting list for LPG agencies in Manipur;

(b) the number of LPG agencies allotted and the number of LPG agencies yet to be allotted;

(c) the number of consumers, districtwise;

(d) the number of waiting list of LPG consumers, districtwise; and

(e) by when the waiting list would be cleared?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI T. R. BAALU): (a) and (b) As on 1.10.19%, 17 LPG distributorships were in operation in Manipur. In the Marketing Plan 1994-96 and draft LPG Marketing Plan. 1996-97, 7 locations have been earmarked for Manipur. Two LPG distributorships one each at Tamenlong and senapati have been advertised, selection for which have not yet been made by the Selection Authority. 15 applications have been received for these two locations.

(c) and (d) The districtwise customer population and waiting list for LPG connection are given below:

District	No. of customer	Waiting list for new connections.
Chura	6641	408
chandpur	34585	5385
Imphal	7097	—
Bishenpur	6568	—
Thoubal	6868	
Ukhrul	500	22
Senapati		

(e) New LPG connections are released in a phased manner throughout the country depending upon the availability of LPG, new customer enrolment plan, waiting list, slack available with the distributor and their viability. Efforts are however constantly on to release LPG connections to as many applicants and as early as possible. No time limit can be fixed for release of connections to all waitlisted persons. However, with the increase in availability of LPG in the country, the waiting list may be cleared by the turn of the century.
